### **Trail Building "Create" - Chair Mike Perry**

Old Business Build and Create

New Town Park - General maintenance. New signs for direction and difficulty are needed.

YMCA General maintenance. Complete the new trail connecting Dash Z to Whispering Pines .

Write new MOU. Investigate buying a new shed. Have dirt delivered and start building pumptract in Dash Z blue area. Request a letter of recommendation.

The Ripper needs bridging and fill dirt ,more bumps, Wills Woods needs connector trail groomed, Kevdog needs wet spots and holes filled, Turtle Pond and Bush Hog general maintenance.

PSF Tarr Tract, and Hudson Tract - General maintenance. Shad Landing connection to Hudson Tract has moved forward slightly.

Millrun Landing needs work about 4 miles in.

Bainbridge Park - In good shape. Two signs need to be replaced. Some areas need more dirt.

Salisbury City Park - Black Hollow Trail Bridge has been replaced. Kiosks need to be painted. Maps improved. Add one of each difficulty sign with description. Re-route of sink hole on Big Oak has been fixed. Still needs drains armored.

Keep records for Health dept. grant info. Farmers Market brochures used at Take a Kid MBD and distributed to Mike Perry for 3rd Friday.

Naylor Mill -We are to plan MOU and trail plans while the Trust is secured on the property.

Organize volunteer hours. Max might make page or app?

Organize volunteers and assets they provide.

Set up maintenance schedules for all trails including Trail Reports.

### **Trail Building New Business**

We have lost connections to Home Depot need to act fast with getting the dirt.

YMCA - Needs new Signage.

Kevin suggested a Kiosk by the pavilion.

Check to see what the club can do this summer, events classes etc.

Work on new MOU

PSF Tarr Tract and Hudson Tract - White trail needs more design work.

Bainbridge Park - Add humps. Move dirt up to Blue Trail.

Salisbury Park - Jeff Dean and Mike Perry are taking care of damage with the help of the kids who did it.

The Kiosk info. needs new maps and the surface should be painted white.

Order assemble and install Carsonite posts. Make our own anchors. Use remainder of directional and difficulty stickers.

Trail building meeting set for June 16. Set date to work on Salisbury Park

Include Jennifer Massy Md. Conservation crew in ESIMBA updates.

**Outreach Committee “Preserve”- Chair Marty Denk**
